

## UROP FINAL REPORT

**The information below is directed to students who have completed or are nearing completion of their UROP projects:**

As you recall, submission of a final report is a condition of your award. The information you provide will be extremely helpful as UROP staff continue to improve the program. Preparation of this report should also benefit you in assessing the outcomes of your apprenticeship.

1. an evaluation of your experience with the program (use the **evaluation form** on the next page)
2. a two- to three-page typed **narrative report** on your project. Your narrative report should include all of the following sections:
  - a brief summary of your project and the results,
  - a discussion of how effectively you accomplished your educational objectives (as stated in part 5 of your project proposal, and
  - an evaluation or reflective statement on your UROP experience.

You should write your summary with the general audience in mind of faculty and students who may not be familiar with your particular field. You're welcome to include other materials in addition to your report (for example a published paper or final report written in conjunction with your faculty sponsor or other researchers), but these should not take the place of your summary.

Your evaluation on the enclosed form will be kept confidential. Please keep in mind that we may want to quote excerpts from your report to share with others through publicity for the program. If you prefer that your name not be used, please let us know.

Please complete the evaluation and your final report as soon as possible after completing your project. Because these are essential components of your award, failure to file the narrative report and evaluation form will jeopardize any future applications you submit for UROP funding.

Please return the evaluation form and narrative report to

UROP Office  
University of Minnesota  
325 Johnston Hall  
101 Pleasant St. SE  
Minneapolis, MN 55455

The UROP Coordinator and staff appreciate your participation in UROP and look forward to hearing from you.

## Undergraduate Research Opportunities Program

### STUDENT EVALUATION

Name \_\_\_\_\_ Major \_\_\_\_\_

College \_\_\_\_\_      \_\_\_ Fr \_\_\_ Soph \_\_\_ Jr \_\_\_ Sr

Post-graduation plans (check one):

- |                         |       |                                   |
|-------------------------|-------|-----------------------------------|
| (1) graduate school     | _____ | Anticipated graduation date _____ |
| (2) professional school | _____ | quarter      year                 |
| (3) employment          | _____ |                                   |
